Richard was born and raised in Midway, Utah and Carole is a native of the Heber Valley. They both graduated from Wasatch High School. They were married in 1959. They have lived in Heber most of their lives except for a brief time in Sacramento, California. Richard attended Trade Tech. and is a Sheet Metal Mechanic by trade. For a long while, Richard's interests were in horses. He did alot of riding, training, and even a little horseshoeing. But by far his favorite interest is in wrestling. He started a Little League Wrestling program here in Heber and is currently serving as President of the program. He especially enjoys watching and supporting his son's in their wrestling programs. He is a hard worker and enjoys keeping busy. He teaches the 7 & 8 year olds in our Primary, and he is also the Ward Clerk.

Carol's main interests are her family. Loving & caring for each one of them. A new interest is her jogging. Carole likes people and enjoys being with them. She enjoys a good movie and dinner with her husband. They have 8 children and are expecting a new arrival about the end of December.

Steve is the oldest and he married Colleen Coleman of Midway after returning from his Jackson, Mississippi mission.

Troy moved out last summer and is on his own. He lives in an appartment here in Heber. He was a good wrestler in High School and is his brothers number 1 fan.

Todd is presently serving in the Mississippi, Jackson Mission. He will be returning home October of this year.

Scott is a Junior in High School and just recently took State in wrestling as did his whole team. He enjoys music and singing.

Patrick is also a good wrestler. He is still in little league and his dad is his coach. He enjoys all sports.

Carrie is our only girl and is all girl. She loves to sing and is a member of the Rainbow Rythmns. She also takes tap dancing. Landon is 5 years old. He is a very energetic young man. He likes to sing and play with his friends.

Dennis was born in Murray, Utah and grew up in Holladay, Utah. He graduated from Olympus High School and attended the Univ. of Utah before being called up in the National Guard to serve during the Cuban Crisis. After he returned he enrolled at B.Y.U. there he met Annette Peay a native of Provo, during his junior year. Annette was attending B.Y.U. and was in her junior year in Elementary Education and Child Development. They were married August 31, 1965 in the Salt Lake Temple.

Annette worked and Dennis graduated. The following year Annette went back to school to do her student teaching and finish her degree. They bought their first home in Spanish Fork and Annette taught Kindergarten in Santaquin. Dennis worked and finished his Masters Degree at B.Y.U.

Dan was born on March 24, and then Sharie on April 20. In June of 1970, they moved to Bellevue, Washington. Rachel was born while we were living in Washington. From there we moved to Issaquah and Olympia Washington before Dennis started his career of selling insurance.

From there we moved to Sandy, Utah in 1976. Then Robyn was born into the family. Eighteen months later Marc was born in Murray, Utah.

We then purchased five acres of property in Valley Hills. We moved to Center Creek in 1979 to oversee the construction of our dream home. After much work, on Memorial day 1980, we moved into Wasatch View Acres and became members of the Heber 9th Ward.

Dennis commutes to Salt Lake to sell insurance and Annette teaches pre-school in their home. As a family we enjoy outdoor activities and have enjoyed riding motorcycles and snowmobiles in our backyard. On Dec. 6, 1982, a new edition was brought to our family. Our daughter Holly was born. Dan was the first boy scout to receive his eagle award from the Heber 9th Ward. We have enjoyed participating and watching team sports that our children have participated in.
